

KyQHYA

KENTUCKY QUARTER HORSE
YOUTH ASSOCIATION

To whom it may concern,

The Kentucky Quarter Horse Youth Association strives to make a positive difference in the Quarter Horse industry by the personal and professional development of our youth members. The values they learn through their involvement with this association include but are not limited to; dedication, responsibility, hard work and leadership. This year KyQHYA members have the opportunity to participate in the following events, competitions and community service (with and without their horses).

- AQHYA Youth World Show –Oklahoma City, OK
 - Including judging, speech and talent contests
- The All American Quarter Horse Congress- Columbus, OH
- AQHYA Youth Excellence Seminar- Amarillo, TX
- Kentucky Quarter Horse Association Annual Meeting, Banquet & Silent Auction - Lexington, KY
- Kentucky Quarter Horse Association Horse Shows and Events
- Fundraising for the Britney Prewitt Memorial Scholarship for KyQHYA Members planning to pursue a post-secondary education
- Promoting the Quarter Horse breed across to 4-H and FFA members across Kentucky.

Although these youth members are dedicated to the industry they love, it does come with a price. Each of these events and opportunities cost money for the youth association and youth members to attend. These costs can include entries for the classes or contest, travel, accommodations and other incurred costs. With that being said it is the purpose of this letter to request a donation to benefit this youth organization.

For over 25 years, KyQHYA has been developing leaders for our agricultural industries and the state of Kentucky. With your contribution, you will be investing in the future of the youth members involved in this great organization.

Sincerely,

Kentucky Quarter Horse Youth Association Member
